

# The End is Dear

## Hospice - Options for Caring at the End of Life

sponsored by the

Concord Quarter Working Group on Aging Concerns

## Presentation by Pat Myatt of Neighborhood Hospice

**Saturday, May 4, 2019**

10:00 AM to 12:30 PM followed by light lunch

**At Goshen Meeting**

Many of us have been touched by the hospice service and the caring of hospice workers. Our workshop will provide both younger and older adults a view into how this service works, who can benefit from it and who pays the cost.

There will be a presentation by Pat Myatt, who has been a social worker with Neighborhood Hospice in West Chester since 1997 with opportunities for questions. After the presentation there will be small group discussions led by two active Quaker hospice workers.

Goshen Meeting is located at 814 N. Chester Rd. West Chester, PA 19380
